

SOMETHING FOR NOTHING

COMPLIMENTARY REVIEW OF YOUR COMMERCIAL INSURANCE POLICY

One of the first things an attorney should do when a client is sued is to review the client's insurance policy to see if all or part of the claim, including attorney's fees and costs associated with defense of the action, is covered. All too often, this is the first time that anyone has reviewed the client's policy and the first time the client discovers that it does not have the appropriate coverage.

As a courtesy to only the existing clientele of Vogt, Resnick & Sherak, LLP we offer a complimentary review of your commercial insurance policy to ensure that it provides adequate liability insurance. Contact Jeany A. Duff, Esq. for more information.
